

IEMA Foundation Certificate in Environmental Management

Develop the essential management skills to help your business and community become more sustainable. Gain your Associate (AIEMA) membership with IEMA.

IEMA is the professional body for everyone working in environment and sustainability. This course will give you a foundation of environmental and sustainability knowledge to build on and leads directly to IEMA Associate Membership.

The IEMA Foundation Certificate is for anyone looking to make an impact in an environment or sustainability role.

The Course Syllabus Covers:

- 1 Core environmental principles
- 2 Sustainability and mega-trends
- 3 Policy and legislation
- 4 Environmental management systems
- 5 Additional management and assessment tools
- 6 Communication and the management of change

Exam Overview

The IEMA Foundation Certificate is assessed with a 1-hour, open-book online multiple choice test. Results are shown immediately after completion.
