NEBOSH INTERNATIONAL DIPLOMA FOR OCCUPATIONAL HEALTH AND SAFETY PROFESSIONALS

> Introductions

The NEBOSH Diploma for Occupational Health and Safety Professionals is an advanced health and safety qualification. It replaced the NEBOSH Diploma in Occupational Health and Safety in April 2021. The latest course development is designed to develop your competence in all areas of health and safety so you can reduce risk in dangerous environments and keep people safe.

> Exam Overview

Each assessment is completed electronically and submitted through the NEBOSH exam portal. You'll have between 4-6 weeks to complete your assessments, and will have a dedicated start date and submission deadline. You must pass all three units to achieve your full NEBOSH Diploma. Your total number of marks will determine your final qualification grade.
